Dear Cliff,

We had recently a visitor by the name of Mr. W. von Unwerth who wanted to sell us the joint "model-deposit". I am not sure whether this patent-like system exists in the US but it has a very analogous value in Germany.

We are not interested as such, but I do feel that this registration may collide with the Fluted-diluted filter. } *

With kindest regards, I remain,

Sincerely yours,

Dr. P. Waltz
